

CODY DAVIS' INVESTMENTS IN MESA COUNTY'S MENTAL HEALTH ARE PAYING OFF

Mesa County has struggled with one of the highest suicide rates in Colorado, but CODY DAVIS is working to reverse the trends.

- **Expanded mental health services**
- **Investments in workforce development**
- **A smarter approach to supporting our struggling families**

**MESA COUNTY BELIEVES IN
NEIGHBORS HELPING NEIGHBORS.**

CODY DAVIS IS LEADING THE FIGHT FOR MENTAL HEALTH

"Last year, Mesa County launched a new mental health department with a mission to provide accessible and coordinated care. People are receiving the services they need, holding down jobs, and providing for their families. This is the direction we need to keep moving in."

– Cody Davis
