

JANI HITCHEN CLAIMS SHE SUPPORTS POLICE OFFICERS, BUT **HER RECORD SAYS OTHERWISE:**

- ➔ Refused to back law enforcements attempt to re-establish pursuit laws.¹
- ➔ Refused to back efforts to toughen penalties on dangerous drugs like fentanyl.¹
- ➔ Voted to have an appointed sheriff, instead of being accountable to residents.²
- ➔ Opposed public safety officers in our schools to keep our kid's safe.³

"This is serious': Violent crime in unincorporated Pierce County alarms officials"

- The Center Square, 5/13/24

With crime surging in Pierce County, Jani neglected the root causes of crime, resulting in the 2nd lowest staffed law enforcement agency in the state.⁴

That's why Pierce County Law Enforcement voted "NO" to Jani.

PUBLIC SAFETY IS LJ ROHRER'S #1 PRIORITY

"Addressing rising crime requires restoring law and order through community policing, supporting law enforcement with full staffing and recruitment, and ensuring accountability and treatment in our criminal justice system."
